The voluntary liquidation process of Q C Polymer Limited was initiated on December 23, 2024. As per the letter dated February 12, 2025, from the joint administrator of the foreign subsidiary, the Subsidiary Company has filed an Insurance Claim with its Insurance Company for the loss of its assets (GBP 1.3 million) and is also in the process of filing various legal claims against the other parties. However, outcome of the insurance claim and other legal proceedings are still not certain and hence, on a conservative basis, the Holding Company had recognized 100% impairment/fair value loss aggregating to ₹ 2,534.59 lakhs with respect to its exposure of Subsidiary Company (Investment, Unsecured Loan, and Interest Receivable thereon) in the Standalone Financial Results of the Company (for the quarter ended December 31, 2024 and for year ended March 31, 2025) and future claims received will be recognized as income in the year of recovery/certainty to its collection. The Company had accounted for net loss on the deconsolidation of the subsidiary Company of ₹ 1,180.11 lakhs in the Consolidated Financial Results of the Company (for the quarter ended December 31, 2024 and for year ended March 31, 2025).
